

The 365 PicoMarket

Table-top self-service, top-shelf innovation

Introducing the PicoMarket— the standalone self-service solution your market can't live without! As part of the PicoPlatform family, the PicoMarket brings convenience to your smaller locations, add it to your OCS or even streamline the checkout experience in larger markets with this versatile technology.

The PicoMarket was built to be flexible, to fit any type of location big or small and is a great way to get into unattended retail with lower startup costs. It's an enhanced convenience technology that can easily be placed anywhere and everywhere!

- Unlimited revenue opportunities with 365Pay, Apple Pay/Google Pay/Contactless credit card reader
- Quick and easy installation w/self-provisioned
- Endless product options- snack rack, coolers, freezers, pantry, etc.
- Smaller footprint and lower startup cost
- Connected Campus/GMA enabled

The PicoMarket meets your consumer's on-the-go needs. Get yours today!
